Chapter 10 I'll Do What I Can

and I  
think that's  
enough to  
help them.

Maybe you  
don't see it,  
so anything  
more than  
being dis-  
cussed.  
But  
you're good  
at making  
people happy.  
Minau.

Is there  
something  
wrong with  
that?

If you're  
going to do  
something,  
you have to  
think what  
you start.

Even so,  
it's wrong to  
only see it  
through  
halfway.

You're  
hopeless.

That  
others feel  
inspired to  
help too,  
don't you  
think?

YUP.

can't  
let's go

... Reg'd will  
fight about  
his job being  
too friendly,  
won't he?

But all  
that.

But  
you know,  
Minau? It's  
because  
there are  
people like  
you...

Make  
it  
stop!

He  
was  
y

...What?

**SCREW HER!  
I'VE ALWAYS  
BEEN  
WATCHING  
OVER HIM!!**

...So what?  
And it's  
that  
check...?

THANKS

SHOULD  
BE  
GOING  
TO  
SCHOOL

When  
school  
started, I  
wasn't  
even  
in  
school. A  
perfect  
fit for  
the  
practically  
dead  
man.

He's  
tired,  
he's  
crazy,  
he's  
gonna  
die.

He's  
tired,  
he's  
crazy,  
he's  
gonna  
die.

...So,  
broccoli,  
you're  
a  
teacher...

SHIT!

He just  
never  
replied yet  
cause he's  
shy!

It's the only  
reason I was  
applied for this  
school, and I  
visited his house  
every day, and  
you have NO idea  
how many times  
I called on him  
but he never...

He was  
going to  
be. If I  
didn't  
forget  
that!

He  
was  
going  
to  
be  
the  
best...

*How come  
I'm the  
only one  
that  
died?*

*What was  
the point...? I  
even though  
I worked so  
hard to pass  
the entrance  
exam for his  
school...*

*I'll  
CURSE you  
ALL!*

**THAT  
TRAITOR!**

*Even  
though I  
love him  
so much!*

**It's  
not  
fair!!**

*I can't  
bear Misa  
anymore...  
That's not a  
good sign...*

*She's like  
a whole  
different  
person...*

*...I  
dunno, but  
that doesn't  
really sound  
like 'love' to  
me.*

*YOU... YOU'RE  
ONLY THINKING  
ABOUT YOUR-  
SELF.*

*It doesn't  
seem like  
you're even  
considering  
what's best  
for her...*

*Shut  
up!*

*I get that  
he was really  
important to  
you...*

*..Shut  
up.*

*and yet,  
they looked  
so happy  
together!*

*But  
I'm still  
here all  
alone,*

*I died  
alone,*

*Shut  
up.*

*Leave me  
alone,*

*And  
there's  
nothing...*

There's nothing I can do.

Now's my chance!

Her soul is pulling away from Miyuki's.

Is that  
stuff about  
wanting to  
experience  
school life...  
was just an  
excuse,  
right?

.....

Shiro,  
can you take  
care of Aika  
for me?

Sorry

sure.

You'll  
see

!

If you get  
attached to  
the people  
here

You'll  
understand

It  
seems like  
foraging-  
based spirits  
can't possess  
the bodies of  
supernatural  
beings.

In the  
end, even  
if they open  
human, they  
still aren't  
the same!

Yeah...

That's amazing -  
Now I really wanna  
know how they're  
different!

Wow,  
really?

The  
curiosity  
sounds  
sensible

...Is  
that not?

Not that  
it really  
matters  
though

How?  
You  
sound  
tired of  
out of it.

what's that?!

BLACKBELL

It's probably  
funny, so I  
was thinking  
I'd show her  
pictures to  
Daisuke later...

DELETE  
THEM ALL  
NOW!

AAAAA  
That wasn't  
even half  
of it!

Aww, no  
way. They're  
way too  
good to just  
delete...

YOU'RE  
WORSE THAN  
MINAMI!

Minami,

back me  
up here!

don't let  
him hurt  
me!

Yeah!

Keep  
your  
eyes  
peeled  
for the  
next  
issue!

to be  
continued... つづく
